Programmes which have been subject to major change and for which continuing approval is recommended

Programme name	BSc Non Medical Prescribing (Graduate Certificate in Non Medical Prescribing)
Education provider	De Montfort University
Mode of delivery	Part time
Date of decision	Thursday 14 February 2013

Panel: John Donaghy (Chair) Penny Renwick

Guidance for Panel Chairs

In deciding whether to agree that a programme should continue to be approved, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision
That the education provider and visitors should provide the Panel with further information, including a rationale, for the provision of two different award titles in respect of programmes with the same educational input.
Reasons
The Panel was concerned that the provision of two different award titles may be confusing to the public, and therefore have implications for public protection.
