About the HCPC

We are the Health and Care Professions Council. We are a regulator of health and care professionals and our job is to protect the health and wellbeing of people who use the services of the health and care professionals registered with us.

To protect the public, we set standards that health and care professionals must meet. Our standards cover health and care professionals' education and training, behaviour, professional skills and their health. We publish a register of health and care professionals who meet our standards.

We currently regulate 15 professions.

- Arts therapists
- Biomedical scientists
- Chiropodists / podiatrists
- Clinical scientists
- Dietitians
- Hearing aid dispensers
- Occupational therapists
- Operating department practitioners
- Orthoptists
- Paramedics
- Physiotherapists
- Practitioner psychologists
- Prosthetists / orthotists
- Radiographers
- Speech and language therapists

How we are run

We are governed by legislation called the Health Professions Order 2001. This lays out our responsibilities and it gives us our legal authority to carry these out. We have a Council which is made up of registered health and care professionals and members of the public. This Council sets our strategy and policy and makes sure we are fulfilling our duties under the Health Professions Order.

About registration

Health and care professionals must register with us in order to use the protected title(s) for their profession. This means that even if you have completed a course in, for example, physiotherapy, you are still not able to call yourself a physiotherapist unless you are registered with us.

Registration shows you meet our standards for your profession. Registration shows the public that health and care professionals are fit to practise and they are entitled to use the protected title(s) for their profession. It shows the people on our Register are part of a profession with nationally recognised standards set by law.

When we say someone is 'fit to practise', we mean they have the skills, knowledge, character and health to do their job safely and effectively.

Applying for readmission

The information provided by applicants helps us to know that:

- they are who they say they are;
- they meet our standards; **and**
- we can contact them if we need to.

Meeting our standards

Everyone on our Register must meet the standards of proficiency we have set. The standards of proficiency are the professional standards which health and care professionals must meet in order to be registered. If you need a copy in an alternative format, please contact us. Our contact details can be found at the front of this form. The standards of proficiency are made up of generic standards, which all registered health and care professionals must be able to meet, and profession-specific standards, which only apply to one profession.

Protected titles

Each of the professions we regulate has at least one protected title. Anyone who uses one of these titles must be on our register. Anyone who uses a protected title who is not registered with us is breaking the law and could be prosecuted.

About this guidance

Applying through the readmission application process

The readmission application form is for those who have previously been registered with the HCPC, the Health Professions Council (HPC) or our predecessor the Council for Professions Supplementary to Medicine (CPSM).

Returners to practice

If you have not been registered for two years or more, you will need to undertake a period of updating of your skills and knowledge before you can become registered. As well as the main application form, you must also complete the relevant return to practice forms which can be found on our website at: www.hcpc-uk.org/apply

General information on completing the forms

To make sure we can process your form, please complete it in black ink and block capitals. Please mark boxes with a cross. If you run out of space please continue on a separate piece of paper. You must answer all the questions as fully as possible.

Please do not send us original documents as your application will be destroyed once it has been processed. Instead, please send certified copies of documents.

Sending us your application

Please send us your application when you are ready to start practising your profession and / or using the protected title (s). Applications cannot be considered unless all the required documents are included. All incomplete applications will result in delays. If you cannot be registered and you have already provided a registration fee payment, this will be refunded.

It is advisable to take a photocopy of your application for your records. It is also advisable to send your form to us by a secure method of delivery.

What happens next?

Applications are usually processed within ten working days but this time may vary depending on the volume of applications received. Please also note, if we need to carry out verification checks on your qualifications, previous employment or any other aspect of your application it may take considerably longer. Once we have processed your application our online Register is immediately updated. It is the best way for you to check you are registered and for your employer to verify your registration status. The Register can be viewed on our website at www.hcpc-uk.org

Contact us

If you cannot find the answer to your query in these guidance notes please contact us. Please see page one for our contact details.

Certified documents

In the section below, we explain which documents you need to send with your application. We ask that you send us copies that have been certified to ensure that they are genuine and not forged. When we say 'certified copy', this means a photocopy or scan of the original that has been signed by someone who can verify this (see below). All signatures must be dated within the last 6 months.

If your documents aren't certified, we'll contact you to request replacements. This will extend the processing time of your application.

Who can certify your documents

The person certifying your documents must be a person of standing in the community (see below), who is not:

- related to you
- living at the same address as you
- in a relationship with you
- your patient or employee

As long as they meet all of the other requirements for someone certifying documents, the person certifying your documents may be your employer.

Most individuals who hold positions of professional responsibility are considered a person of standing. Examples include:

- Registered health and care professionals
- Professionals such as lawyers, solicitors, accountants and notaries
- Teachers and lecturers
- Bank managers, investment managers, stockbrokers
- Officers in the British Armed Forces
- Justices of the Peace, consular officers or other judicial officials
- Religious officials such as ministers of the Church of England, rabbis, imams and others
- Members of Parliament

How to certify your document

1. Take a photocopy of your original document, or scan and print it (this is to preserve and protect the original)
2. Show the original document to the person who is certifying it
3. Ask the person certifying the document to write on the copy with the following:
 - a. The statement "I certify that this is a true copy of the original document seen by me"
 - b. Their signature and the date
 - c. Their name, professional title and contact details
4. Send this copy to us with your application (within six months)

A certified document must show the hand-written certification text. This must be provided on each individual copy (we cannot accept batch certifications).

For any documents that are not in English, you will also need to provide a certified copy of an official translation.

Verifying your identity

We ask all applicants to provide us with a legible **certified** photocopy of:

- a document containing your photograph; **and**

* If these documents are submitted, the date should be within the last six months. If you are sending a bank or building society or credit union statement please black out the account number and sort code details.

Translation of documents

If you submit documents that are not in English, you must also provide us with certified English translations. If you are applying from abroad, the British Embassy, Consulate or High Commission may be able to help you find a translator. In the UK, your own Embassy, Consulate or High Commission may be able to help.

Please note

- All application forms are the property of HCPC and should be returned to us.
- Please read the checklist carefully and provide all the appropriate items / documents.
- Please make sure your contact details are kept up to date.
- The character reference and the declaration of information must be dated within six months of the date your application is received by HCPC.
- We process applications for registration and tell you the decision as quickly as possible. Please do not make any arrangements or incur any expenses which depend upon the approval of your application with us. We will not accept liability for any loss or expenses incurred as a result of the above.
- It is illegal to use a protected title unless you are registered with us. It is illegal to claim you are registered with the HCPC when you are not.

Outcomes of an application

Incomplete applications

If your application is incomplete we will ask you to submit the additional documents via email. Please do not send individual documents separate from your application by post.

We will use the information you provide for a number of purposes. This can include contacting organisations and individuals named in your application, including professional bodies, universities, places of work and referees.

Successful applications

If your application is successful, we will:

- put your name on the Register;
- send you an email on the day we register you

With your name on our Register you will be able to practise using the relevant title(s) of your profession.

The publicly available Register shows:

- name;
- registration number;
- profession of registrant;
- duration of current registration;
- approximate geographical area in which the registrant practises (eg Guildford - not full address);
- registration status; and
- annotation (if applicable)

Rejected applications

Your application may be rejected if we believe you do not meet our standards of proficiency or our health and character requirements. Please note your application can only be assessed based on the information you provide with your form. If your application is rejected you can appeal against the decision. You may also reapply, submitting a new form, supporting documents and registration fee.

If you appeal, you will need to provide the grounds for your appeal (i.e. why you believe that the decision taken is wrong) and follow the appeals procedure.

The appeals process

If your application is rejected you have 28 days following the date of the letter rejecting your application to write to us setting out concise grounds of appeal against the decision. We will then provide you with further information on the appeals process.

Fraudulent applications

If you falsify information about your identity or any other aspect of your application, the HCPC will suspend your application pending an investigation. If such information becomes known to us after you have been registered, an investigation will be launched and your registration may be suspended or terminated. It is a criminal offence to fraudulently obtain registration with the HCPC. You may be committing a criminal offence if you supply false information and you may be prosecuted.

Section 1 Registration details

Previous applications

If you have previously applied for registration with the HCPC, the Health Professions Council (HPC) or our predecessor the Council for Professions Supplementary to Medicine (CPSM), please tell us your registration number and the date you last practised your profession.

Section 2 Contact details

It is essential that your personal contact details are kept up-to-date. This is a requirement of the Health Professions Order 2001. For security reasons we are unable to accept changes of personal details by email.

Name change

If the name you wish to be included on the HCPC Register differs from the name you qualified in or the name on your identification documents, you will need to provide a **certified** photocopy of the relevant document (eg marriage certificate / deed poll).

Home address

We ask you to give us your main home address. This address is not published on the publicly available Register, but is required by us for all HCPC correspondence. You can change your address over the telephone or by writing to us.

Work address

The work address you give us should be for your main place of work. Members of the public will be able to see on our Register the approximate geographical area in which you practise (eg Guildford). If you are not currently practising you can leave this section blank and contact us as soon as you are able to give us a work address. You can change your address over the telephone or by writing to us.

If you change your home or work address either during the application process or after you are registered, you must notify us.

Agencies

All correspondence from the HCPC will be sent to the applicant only. This means you must provide a home address and not the address of an agency. Please be aware if you provide an agency address your application will be returned to you.

Section 3 Character and health self declarations / Vetting and Barring schemes

We must check the health and character of everyone that applies to join our Register. This is to make sure that applicants will be able to practise safely and effectively within their profession. We can also take action against a registrant if their health and character raises concerns about their ability to practise safely and effectively.

When making decisions about character, we look at whether someone is of 'good character' or whether there is any evidence of past actions which might suggest that the person is not of 'good character'. Evidence that someone might not be of 'good character' could include evidence of untrustworthiness, dishonesty, actions which harmed a service user or a member of the public or actions which might affect the public's confidence in the registered professions.

When we talk about 'health' we mean health conditions which may affect an applicant's fitness to practise. We are not asking whether an applicant is 'healthy'. This is because someone may be unwell or may have a health condition which they manage appropriately but they may still be able to practise their profession safely. We do not need information about any health condition unless it affects your fitness to practise. We recognise that a disability may not be seen as a health condition. So, we only need information about a disability or health condition if it affects your fitness to practise.

Having a disability should not be seen as a barrier to becoming a health and care professional. We have produced guidance for disabled applicants called A disabled person's guide to becoming a health and care professional which you should refer to for more information on this issue.

If you answer 'yes' to any of the questions in this section, please read our brochure Guidance on health and character which can be found on our website at www.hcpc-uk.org/publications

Character

You must declare to us any convictions or police cautions that you have received. Failure to do so may lead to you being removed from the Register.

The Rehabilitation of Offenders Act 1974 does not apply to an application for admission to the HCPC Register so any declaration must include convictions or cautions which are 'spent' under that Act, other than a protected conviction or protected caution.

Some convictions and cautions are 'protected' from disclosure. That protection (which is sometimes referred to as "filtering", as the conviction or caution will be filtered from the information included in any disclosure certificate) is provided by the following Orders:

- in England and Wales: the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975;
- in Scotland: the Rehabilitation of Offenders Act 1974 (Exclusions and Exceptions) (Scotland) Order 2013;
- in Northern Ireland: the Rehabilitation of Offenders (Exceptions) Order (Northern Ireland) 1979.

A conviction or caution will NOT be protected if it is for a 'listed offence' under one of those Orders. Listed offences include serious violent and sexual offences and offences which are of specific relevance to the safeguarding of children and vulnerable adults. A conviction or caution for a listed offence must always be disclosed to the HCPC.

Further guidance on protected conviction and cautions and listed offences may be found on the following websites:

In England and Wales, the Disclosure and Barring Service:

(www.gov.uk/government/organisations/disclosure-and-barring-service)

In Scotland, Disclosure Scotland: (www.disclosurescotland.co.uk)

In Northern Ireland, AccessNI: (www.nidirect.gov.uk/campaigns/accessni-criminal-record-checks)

Health

You are also asked to provide us with information about your health that may affect your practice, this does not necessarily mean we will not register you. Instead, we will consider the information provided to decide whether we need to ask a registration panel to consider your application.

Vetting and Barring

Vetting and Barring schemes have been introduced across the UK to make sure that unsuitable individuals are not able to work with children or vulnerable adults.

You must tell us if you have been barred under either the Protection of Vulnerable Groups Act 2006 and / or the Protection of Vulnerable Groups (Scotland) Act 2007 from working with children or vulnerable adults.

Section 4 Practice outside the United Kingdom (UK)

If you have been practising your profession outside of the UK, you are required to complete this section. If you have worked for more than one employer, please photocopy or print off as many copies of this form as you need.

Section 5 Paying your fees

Please do not send a payment with this application.

Registration cycles and professional years

Each registrant is a member of a profession. Each profession has a 'registration cycle', which is split into two 'professional years'. The first 'professional year' of your registration cycle does not begin the day that you join the Register. It begins on the same date for all members of your profession. The table on the next page shows the dates of the registration cycle for each profession.

Readmission fee

The fee we ask you to pay once your application has been checked is called the 'readmission fee'. This is a non-refundable payment of £308.35. It includes the fee for readmission (£185.01) and the registration fee for the professional year in which you join (£123.34). However, if the registration fee does not cover the whole of your profession's registration cycle, you will be asked to pay for the remainder.

If you join the Register during the first year of your profession's registration cycle, your readmission fee will only cover that first year. You will therefore be asked to pay the registration fee for the second year of the cycle (£123.34 as well as the readmission fee (£308.35). Your total payment will be £431.69.

If you join the Register during the renewal window for your profession, you will be asked to pay for the upcoming registration cycle (£123.34 for each year) as well as your readmission fee (£308.35). Your total payment will be £555.03.

If you do not need registration immediately in order to work, you may wish to check when your new professional year begins and apply for registration at the start of that professional year. If you join the Register in a professional year that is nearly complete, you will still be charged for the full year.

(The fee for readmission is not payable if your name was removed from the Register less than once month from the date we receive your application.)

Paying the fee

Once all the necessary checks have been made, you will receive an email with a link to the HCPC online account requesting that you log in to make payment. If you have not yet registered for an online account, there will be an additional link in the email which will allow you to do so.

Once you have successfully logged into your account, you will be able to pay your fee. You will have the option to pay in full for the two-year registration cycle or make a part payment and set up a direct debit instruction for collection of the second year in instalments.

You can set up a direct debit instruction during the payment process or beforehand in your online account. Go to 'My Details' and enter your name, bank account number and sort code into the fields provided in the direct debit mandate section.

Please allow up to 24 hours for the payment to reach us. Once this happens you will be registered, and a confirmation email will be sent to you. Please note that we no longer accept bank transfer as a method of payment.

Section 6 Declarations

HCPC can only process your application if you have signed this declaration. You should make sure that you fully understand the declaration before signing it. It is illegal to fraudulently procure an entry onto the HCPC Register. If you do this, you may be subject to prosecution.

Professional indemnity

If you are a registrant, you now have to make sure that you have a professional indemnity arrangement in place as a condition of your registration with us. This means the following:

- You must make sure you have a professional indemnity arrangement in place when you practise. This could be an arrangement provided:
 - through your employer if you are employed;
 - as part of membership of a professional body, trade union or defence organisation; or
 - directly from an insurer.

Or, it could be a combination of the above.

- You must make sure that the professional indemnity arrangement you have in place provides appropriate cover. This means that the cover needs to be appropriate to the risks involved in your practise so that enough compensation will be paid if a successful claim is made against you.
- If you are employed, your employer's indemnity arrangements are very likely to provide appropriate cover for the activities that you perform as part of your job.
- If you are self-employed, you will need to make sure that you have put in place your own arrangements for professional indemnity.
- If you carry out both employed and self-employed work, you need to make sure that you have professional indemnity arrangements in place which provide appropriate cover for all parts of your practise.
- If you are registered with us but are not currently practising, you do not need to have a professional indemnity arrangement in place. However, you will need to make sure that you do have this arrangement when you begin to practise.

Continuing professional development

As a condition of your registration with us, you need to undertake continuing professional development (CPD). Every time you renew your registration, you need to sign to confirm you are undertaking CPD. Whenever your profession renews its registration, a sample of your profession will be randomly selected for audit, to check our CPD standards are being met. To find out more about CPD, our standards and the audit process, please see our brochure *Your guide to our standards for continuing professional development*.

How to keep your name on the Register

Once you have been registered, you will need to renew your registration every two years. To make sure your name stays on the Register, you must:

- pay your registration renewal fee;
- renew your registration online; **and**
- if you are randomly selected, submit your CPD audit information.

We will send you more information about renewing your registration around three months before your registration expires.
